# Our Story so Far

## Our Mission

FLY to the World is a youth led 501(c)(3) whose mission is to equip young people with the skills and awareness necessary to manage their resources and money responsibly through storytelling and education.

We aim to create a global community bridging the wealth disparity by nurturing financial expertise, entrepreneurship, sustainability, economic empowerment, and universal financial inclusion through a global lens.

Recap of our 2023 goals:

- Expand reach beyond borders
- Deliver free financial literacy workshops to underserved communities
- Host free summer camps
- Provide a platform for community-minded, driven teens to participate in meaningful work whilst fulfilling our mission of addressing the need for financial literacy education

And much more to come in 2024!

## Global Reach

FLY has chapters across the US and the world. Chapters address local financial education needs through workshops, online and in-person lessons, speaker events, after school programs, summer camps, and much more.
